#### **Review of Apprentice Curriculum and Review of Proposed Theory Topics for Merged Instruction Programs**

Mr. Reed provided an explanation to the Board regarding his proposed Barber apprentice curriculum. He used Malady & Pivot Point curriculum as a guide during the development of this proposed plan. Mr. Mangler was concerned over the number of theory hours versus practical hours in this proposal. He suggested there be more of a breakdown of what classroom hours are required prior to an apprentice starting practical work. Ms. Wilson advised that schools typically require around 500 hours of theory before a student goes out on the floor. Mr. Reed agreed, as did Ms. Marsilii, who suggested they Board review the presented curriculum as written and at the next meeting decide on an order of the topics. A motion was made by Ms. Sherwin, seconded by Mr. Meyers to continue the discussion for September, at which time a breakdown between theory and practical studies will be provided by Mr. Reed, and an 'order of learning' will be also be discussed. ## **MISCELLANEOUS REVIEW & DISCUSSION**

### **Election of Officers**

A motion was made by Ms. Marsilii, seconded by Ms. Shwerin to elect Mr. Reed as the Board President. The motion carried unanimously.

A motion was made by Ms. Wilson, seconded by Mr. Meyers to elect Ms. Sherwin as the Vice-President of the Board. The motion carried unanimously.

A motion was made by Ms. Sherwin, seconded by Mr. Meyers to re-elect Ms. Marsilii as Board Secretary. The motion carried unanimously.

### **Braiding**

Ms. Kelly advised the Board that she had reviewed statute in other states regarding licensure requirements for braiders. Upon review she suggested that the Board consider an exemption with restrictions, which will require a statutory change. A motion was made by Ms. Sherwin, seconded by Mr. Reed to review the proposed change at the September meeting. The motion carried unanimously.

### **Eyelashes & Microdermabrasion (MDA)**

Ms. Kelly advised that these procedures would also require a statutory change and asked the Board what specifically they would like to see in the statute and/or regulations. Ms. Marsilii indicated that she would like to require proof of certification for eyelash work and that MDA is typically performed by Aestheticians, but is not clearly defined in the law or regulations. Ms. Kelly suggested that although a statutory change will probably be necessary, she would draft a regulation to specify advanced training requirements rather than outline each specific technique since they are always changing and new ones seem

to become popular overnight. The Board agreed; a motion was made by Ms. Marsili, seconded by Ms. Wilkins to table the discussion until the September meeting to review the DAG's draft of proposed changes. The motion carried unanimously.

#### **REVIEW AND DISCUSSION OF CONSENT AGREEMENT(S)**

After review and discussion of the consent agreements, a motion was made by Mr. Meyers, seconded by Ms. Sherwin to approve the consent agreements as written of Maria Lopez and Thoai K. Nguyen. The motion carried unanimously.

*\*\*Mr. Reed recessed the meeting at 10:54a; it reconvened at 11:01a\*\**

#### **CORRESPONDENCE**

The Board considered an inquiry from Ms. Bailey regarding an online nail technology program; they advised that the statute does not address online education they were concerned how she would obtain the practical portion of her education. The Board was in agreement that online training was not the preferred method of training.

#### **OTHER BUSINESS BEFORE THE BOARD**

Ms. Strauss provided the Board members with a copy of HB 123 that outlines the new reciprocity requirements; states that are not considered substantially similar to DE are now required to provide proof of 3 years (total) experience out of the last 5 years immediately preceding application in DE. Ms. Strauss reminded the Board that the 3 years does not need to be consecutive, only within the 5 years prior to submitting an application.

#### **PUBLIC COMMENT**

Mr. Mangler advised the Board he was at their meeting today simply to observe. He also reminded them of the expectations and responsibilities of all Board members.

#### **NEXT SCHEDULED MEETING**

The next Board meeting will be held on Monday September 28, 2015 at 9:00 a.m. in conference room A.

#### **ADJOURNMENT**

With no further business before the Board, a motion was made by Ms. Wilson, seconded by Ms. Sherwin, to adjourn the meeting. The motion carried unanimously. The meeting adjourned and went off record at 11:25a.

Respectfully submitted,

Maggie Strauss
